Highlights

Indoor
When decorating your home with light, consider if the area requires general lighting, accent lighting, task lighting, or perhaps all three, to complete the necessary layers of light for comfortable ambience.

Damp
UL Listed for Damp locations

Saves up to 80% energy

This lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Standard ballast
Electronic ballast is dedicated 120V, which makes it ideal for residential applications.

Satin Nickel
Satin Nickel

Etched white glass
Etched white glass
